## Bridge to the next level in Girl Scouting!

### What does that mean? Good question!

Bridging is a beloved Girl Scout tradition that honors girls' achievements throughout the year and celebrates their "crossing the bridge" to the next Girl Scout level. It involves a special ceremony for the whole family to enjoy as you reflect on the past and prepare for the future.

This is how bridging works:

- Grade 1 Daisies bridge to Brownies
- Grade 3 Brownies bridge to Juniors
- Grade 5 Juniors bridge to Cadettes
- Grade 8 Cadettes bridge to Seniors
- Grade 10 Seniors bridge to Ambassadors
- Grade 12 Ambassadors bridge to Adults

When girls progress through each level of Girl Scouting, they become more confident, get to know themselves better, continue to learn and master a ton of new skills, enjoy countless more adventures, and change the world! They also earn more badges and awards to celebrate their accomplishments.

And as a volunteer, you'll be amazed at how much you learn and grow alongside them as you cheer them on every step of the way!
